The ImageScan Pro 687 is the Complete Solution

The Ambir DS687 has everything you need for mobile card scanning. It begins with USB power, which eliminates your search for a power outlet, while a compact footprint means the DS687 ID card scanner fits on cramped desks, mobile carts or in any laptop bag.

The Ambir DS687 has everything you need for mobile card scanning. It begins with USB power, which eliminates your search for a power outlet, while a compact footprint means the DS687 fits on cramped desks, mobile carts or in any laptop bag.

Handles Cards of all Kinds.

Patient IDs. Insurance cards. Driver's Licenses. You've got a whole deck of cards to scan. The Ambir DS687 handles them with ease. Professional-grade hardware captures clear images of everything in seconds – even cards with raised characters.

Duplex Scanning.

When you need all the information on identification, insurance and driver's licenses, the Ambir DS687 is the scanner for the job. Capture the front and back of any card in one pass, giving you the important images you need in half the time.

Outstanding Image Quality.

The Ambir DS687's enhanced TWAIN driver ensures it's compatible with thousands of software applications and a broad range of hardware. It also means the DS687 produces enhanced image quality with included auto crop and deskew functions.

Image Sensor	CMOS CIS (Contact Image Sensor)
Paper Sensor	Mechanical
Cable Length	6' (1.8m) Detachable USB
Regulatory Requirement	FCC Class B, CE,
Environment Requirement	RoHS, WEEE
Part Number	DS687-AS

Features & Benefits

Ultra-Compact Footprint

At about the size of a three-hole punch, the TravelScan Pro takes up far less space than flatbed scanners. That makes it perfect for crowded desks and mobile users.

USB-Powered Convenience

Because it's powered by your computer's USB port, you'll never search for an outlet or carry a bulky AC adapter again.

Broad Compatibility

The included TWAIN driver ensures compatibility with thousands of software applications and hardware systems.

Professional-Grade Quality

Durable and reliable enough for high volume environments like hospitals, banks and busy points of sale.

Straight-to-PDF Scanning

With included AmbirScan image acquisition software, users can scan directly to industry-standard PDF format.

Autocontinue Function

This AmbirScan feature allows you to continuously feed media, meaning piles of documents or cards can be scanned quickly.

Duplex Scanning

Save time by quickly scanning both sides of double-sided cards in a single pass.

System Requirements

Windows 7/8/10
Pentium 4 processor or higher
1 GB or more of RAM
270 MB free disk space
CD-ROM drive
Available USB port
